

The Children's Hospital Trust

Our Legacy Charter

- 1.** The Children's Hospital Trust will always respect your privacy. We recognise and appreciate that your Will is completely personal to you. We also realise that your family and loved ones will always come first.
- 2.** We are committed to making a difference to Africa's sickest children at the Red Cross War Memorial Children's Hospital and thus, we encourage people to leave a gift in their Will to the Children's Hospital Trust. However, we recognise that it's your decision and you need to make it when you are ready and in your own time.
- 3.** You can tell us of your wish to leave a Gift and we'd love to hear from you – but you don't need to.
- 4.** If you do choose to tell us, you can let us know whether or not you would like to hear from us with regards to future projects and our work with sick children at the Red Cross War Memorial Children's Hospital.
- 5.** We can offer you and your family choices as to how your Gift will be used to make a difference.
- 6.** We would like to assure you that we will use your Gift carefully and cost effectively and also with sensitivity and respect, so that it has the greatest impact.
- 7.** We will give you the opportunity to be connected with the work we are doing now - made possible by Gifts like yours.
- 8.** At any time in the future, you have the absolute right to change your mind about a Gift in your Will to the Children's Hospital Trust
